# Hex Clad Twotone

## Sustainably sourced, Australian made innovations

Timber is a sustainable, renewable, carbon-positive resource that can reduce the carbon footprint of your project. Designing with timber enhances the sustainability of your space by capitalising on natural materials that can be re-purposed in the future.

At Modinex, we pride ourselves on being environmentally responsible. Our local base gives us the advantage of collaborating closely with architects and designers. By understanding your needs, we can create sustainable design solutions that are compliant, fit-for-purpose and brimming with natural beauty.

Our manufacturing plants utilise natural timber plantations that are PEFC certified, ensuring our design collections that are sourced from sustainably managed forests. We also use environmentally sustainable, ultra-low VOC coatings to protect our environment for the generations to come.

## Features and Benefits

Sustainable timber — Available in a range of sustainably certified timber species

Design — Available in random or set length options

Certification — PEFC and FSC certified species are available

Fire rating — Group 3 (Group 1 if Fireshield is applied) for internal applications, and up to BAL29 for external applications

Easy to install — Concealed fixings for a refined design for ease of installation

Seamless design — Specially designed interlocking tongue allows for secret fixing

Pre-finished coatings available — Available in a range of standard colours

Application — Suitable for internal and out of weather applications only

# How to specify

Download REVIT files, installation instructions, product care and technical information at [modinex.com.au](http://modinex.com.au)

## Choose your shape

PROFILE CODE	DIMENSION
PR-HEXSG-81X26	81mmW x 26mmD
PR-HEXDB-81X26	81mmW x 26mmD
PR-HEXTP-81X26	81mmW x 26mmD

## Profiles

Single 81mm wide  
26mm thickness available

Double 81mm wide  
21mm and 26mm thickness available

Triple 81mm wide  
21mm and 26mm thickness available

## Choose your finish

See Modinex website for full range of colour and coating options.

## Colours

Custom RAL colours are available.

Black

Cognac

Mangrove

Evening Haze

## Choose your finish

See Modinex website for full range of colour and coating options.
