Shingles

Sustainably sourced, Australian made innovations

Timber is a sustainable, renewable, carbon-positive resource that can reduce the carbon footprint of your project. Designing with timber enhances the sustainability of your space by capitalising on natural materials that can be re-purposed in the future.

At Modinex, we pride ourselves on being environmentally responsible. Our local base gives us the advantage of collaborating closely with architects and designers. By understanding your needs, we can create sustainable design solutions that are compliant, fit-for-purpose and brimming with natural beauty.

Our manufacturing plants utilise natural timber plantations that are PEFC certified, ensuring our design collections that are sourced from sustainably managed forests. We also use environmentally sustainable, ultra-low VOC coatings to protect our environment for the generations to come.

Classic Shingles

Modinex Shingles are ideal for gazebos and outdoor rooms. Benefits of Western Red Cedar Shingles include durability, exceptional insulation and low maintenance, as well as natural, rustic texture. Shingles are ideal for remodelling, but can also be used for new construction projects. Modinex recommends coating Shingles in Cutek® penetrating external oil to give extra protection, stability and longevity.

Features and Benefits

Sustainable timber — Manufactured from 100% plantation PEFC Certified Western Red Cedar

Durability — Highly durable and manufactured from Western Red Cedar

Application — Suitable for external use

How to specify

Download REVIT files, installation instructions, product care and technical information at modinex.com.au

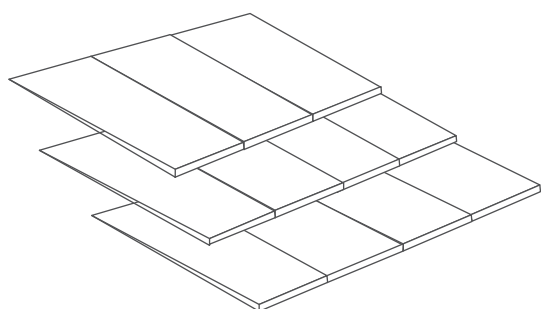

Choose your shape

PROFILE CODE	DIMENSION
PR-BGS-WRC	450mmW x 11mmD

Profiles

450mm wide
11mm thickness available

Choose your finish

See Modinex website for full range of colour and coating options.

Timber Species

All our ranges of timber species are available in set length and random length. Please contact our projects team for more information.

Western Red Cedar

Plantation
100% PEFC Certified
Greentag Certified

Create stunning wow factor
with flexibility of style, texture,
colour, shape and species.
